ROLL-A-THON
2019

To our Community Members:

Every year, we organize one of our biggest Fundraising Events, the “Roll-a-thon” at Makoto Dojo School of Aikido, Inc., a Charitable Non-Profit 501C.3 Corporation located in beautiful Ventura, California. Makoto Dojo is a martial arts school with a mission of empowering every student with the courage to be different and the creative thinking to make good choices. Through daily Aikido training of students and instructors; specialized training involving Self Defense/Assault Prevention; conducting CPR/AED/Basic First Aid classes and being an active member in the Ventura Chamber of Commerce; Makoto Dojo continues to make a difference in the Tri-Counties. More information about Makoto Dojo School of Aikido, Inc. can be viewed on our website www.makotodojo.org and you can also “Like” us on Facebook!

Our participants are students of the school between the ages of 4 – 70 years old. Each student uses their falling skills (rolls) to generate needed funds through pledges they solicit from their family, friends and neighbors. Prizes are won for the most roll count in each of four age groups and for overall contributions collected. We have been very successful every year and it teaches our students just how much they have learned at the school. The Funds raised are used to, provide scholarships for students and offset the rising costs of doing business. Last year more than 100 students and parents participated in the Roll-a-thon.

We are looking for local businesses to help sponsor our event in one of the following ways:
